

Broadcast

AVRover

A Classroom's Best Friend.

Broadcast and Distance Learning made easy

Broadcast your morning announcements, school news, and the graduation ceremony from one convenient platform

The Broadcast AVRover has everything you need to share important information inside and outside the school. Keep your students informed with the Broadcast AVRover's video conference and web broadcast capabilities.

Distance Learning extends the classroom to anywhere in the world Expand your teachers' reach beyond the classroom.

Everything you need for a complete solution

The Broadcast AVRover comes with a projector, sound system, your choice in a variety of camera options, custom broadcasting and streaming capability, mixer amplifier, and much more!

Easy to use

With the Broadcast AVRover it's easy to bring high quality video conferencing and broadcasting capability anywhere you need it. And set up is a breeze. Just plug in your system and turn it on.

Teach where you want, the way you want.

- Turnkey system
- Professional quality video camera
- Professional sound system
- Totally secure even when in use
- Shareable resource
- Minimal setup time
